

Dear Members of the World Teacher Trust.

Hearty fraternal greetings and good wishes,

1. The World Teacher Trust exposes the students to Universal Wisdom, which is ageless and inexhaustible.
2. It respects all teachers that guided humanity towards the Light of Be-ness (Brahmatva).
3. The students are recommended to gain wisdom through the concepts and not get caught by the concepts.
4. The God is seen as the formless male-female energy that permeates the whole universe. While form is not rejected, through form seeing the energy is suggested.
5. Energy is eternal, while forms emerge, stay for a while and merge.
6. The energy of God is seen as the energy of will, love, knowledge and activity of goodwill. The synthesis is in the male-female divinity, which is but existence – awareness. It is called Ardhanari, adonai, Jehveh and the like.
7. World Teacher Trust does not promote a cultist approach. It accommodates all noble thoughts and activities as also their teachers.

“All inclusiveness with the knowledge for their fitness is the key to synthesis”
