

The Spirit of World Teacher Trust –

1. *The members of the World Teacher Trust should necessarily be versatile with English language (K.H., C.V.V.).*
2. *They should be fiery aspirants of Knowledge (Jignyasu).*
3. *They should read the various scriptures which are not only Indian but also all other global if possible. They should invariably learn the varied teachings of various teachers.*
4. *They should improve their abilities and never settle with the existing abilities. Concurrently virtues also have to be inculcated.*
5. *Servers without abilities are a burden to service. Ability without virtue pollutes service. Understand the importance of knowledge and its implementation.*
6. *Let love prevail in actions but not pride, prejudice or hate.*
7. *Know that you are serving The One in all.*
