

Dear Members of World Teacher Trust, Hearty fraternal greetings and good wishes. In continuation of my earlier letters I suggest -

1. Do not attempt to read **Secret Doctrine** at once. It is just glamour. It is the last book that has to be read after reading all other teachings.
2. To get familiar with the energy of Mme. Blavatsky, read **The Voice of Silence**, **The Practical Occultism** and **The Five years of Theosophy**.
3. Read the books coming from Master Djwal Khul through Mme. Bailey, selecting - **Discipleship in New Age**, **Destiny of Nations**, **Serving Humanity** and later by your own intuition. Never attempt with unattainable practices. Instead start with basics. '**Treatise on Cosmic Fire**' is the penultimate book to the ultimate book of **Secret Doctrine**.
4. You must be glad that we are part of human transition through Wuhan Viral. We must find the necessary fitness to serve humanity through changing times.
5. Master EK's **Mandra Scripture** and **Music of the Soul** are mandatory texts to fit into the hierarchical network with which one should be thoroughly familiar.

6. Let devotion be the fundamental basis for all study and service. Without devotion all activity tends to be egoistic.
7. Be attentive to the adjustments Master CVV proposes through prayers during these periods of transition.

“Sons of Men are one and I Am One with Them”
